# CLAY WORKSHOP

With artists Monique Cantin and Viviane Leblanc

Come and make your own little clay cat sculpture with artists Monique Cantin and Viviane Leblanc. In this workshop, participants will model a cat according to a predetermined pattern. In the second part, after a short break, each participant will be given an already-modeled and hardened cat to paint with acrylic paint.

Monique Cantin is a versatile artist who first became interested in portrait workshops, before turning to acrylics and mixed media. Since 2002, she has been offering clay modeling workshops.

Viviane Leblanc is a painter, mainly a pastelist, who also enjoys modelling in clay. Her inspiration comes from the beauty and "fascinating" behaviour of cats.
