## France Coulombe

Candidate for position #5

I have lived in Ayer's Cliff since the 60s and I was a counselor for 16 years. I wish to renew my mandate to be able to be of help to the residents.

### Why do you want to represent the voters in your municipality?

In this new mandate I will be able to work for the upkeep of our beautiful village, keep our lake clean, our trees grand and our heritage alive.

### How would you like to improve the quality of life to voters?

I would be able to better our town, with the new committee, by relating information given to me from the residents such as changing the town speed limit, slower is better, repairing sidewalks that need it, keep a close watch on the security of our youth when biking, the playground and much more.

### What are your two main priorities?

**1. Taxes**

They should be fair and just and equitable.

**2. Heritage**

Our village has a special class and it is very important to mention the soul of our town with an architecture coherent and similar to the whole town.
